

AN COMUNN GAIDHEALACH.

Saturday, 4th June, 1927.

A BAZAAR is to be held in the St. Andrew's Halls, Glasgow, from Wednesday, the 1st June, till Saturday, the 4th June. As Convener of the Perthshire Stall, I am hopeful that you may be willing to give some assistance in this great effort which is being made in the interests of Gaelic and the other objects of the above Association. The Stall consists of all kinds of hardware articles, such as glass, china, wood, leather, silver and plated goods, pictures, walking sticks and cromacs, all kinds of metal things, table ware, fireproof china or glass dishes, and any kind of fancy articles. There is also to be an Antique Section for old brass and copper goods, &c., and curios. Donations of any kind will be gratefully received by the Stall Committee. All gifts should be priced.
